

### **Industry Institute Interaction Cell**

Industry Institute Interaction Cell (III Cell) has been functioning in the College from <<DATE>>. The function of the Cell is to promote closer interaction between the academic and Industrial fields. Industry Institute Interaction Cell is established to provide closer links with industries. The purpose of the cell is to find out the gap between need of the industry and end product of the institute. The cell is the bridge between the industry, the real world and the institute. Industrial exposure of Faculty is very much helpful to guide students about latest industrial practices. Industries are able to know recent developments and inventions in their fields and implement projects for technologically driven economy.

#### **OBJECTIVES:**

- To give industrial exposure to Faculty members and students, thus enabling them to tune their knowledge to cope with the industrial culture
- To assist the Departments in organizing workshops, conferences and symposia with joint participation of the industries
- Encouraging Engineers from industries to visit institution to deliver lectures
- Participation of experts from industries, in curriculum development
- To organize industrial visits for Faculty members and students
- To encourage Faculty members to use their expertise in solving the problems faced by the industries, thus creating opportunity for consultancy.
- Industrial testing by Faculty and technician at site, or in laboratory
- To organize in-plant training for the students
- To identify the areas for executive development it programmes in the areas of recent technological advances
- To assist the Departments in establishing rapport with industries for taking up mini projects and projects
- To coordinate/ identify industrial partners for proposing 'Centre for Excellence'.
- To strengthen Alumni relations
- To assist the Training and Placement Division
- Visit of industry executives and practicing engineers to the institute for seeing research work and laboratories

- 
- Memorandum of understanding between the institute and industries to bring the two sides emotionally and strategically closer
  - Visiting faculty from industries
  - R&D Laboratories sponsored by industries at the institute
