

Offering of Skill Development Courses Approved by the Council at KIET

Kakinada Institute of Engineering and Technology (KIET) actively promotes **skill development courses approved by AICTE** to enhance the employability and technical competence of students. The institution encourages all B.Tech students to enroll in these courses as part of their academic and career development journey.

Currently, **1st-year B.Tech students have registered and are set to begin their skill development courses**, laying a strong foundation in emerging technologies. Meanwhile, **3rd and 4th-year students have successfully completed certified courses offered by Edunet Foundation**, and Salesforce developer etc. gaining practical knowledge and industry-recognized credentials in areas such as AI, cloud computing, and data science.

Through these initiatives, KIET ensures that students are industry-ready and equipped with the latest skills demanded by the global job market.
