(APPROVED BY AICTE, AFFILIATED TO JNTU, KAKINADA & GOVT. OF A.P.)

Yanam Road, Korangi, Kakinada-533461, E.G.Dist, Andhra Pradesh

B2

Efforts to encourage students to participate in National/International competition like Smart India Hackathon

KIET encourages the students to participate in National/ International competition like SIH etc as they play a role in motivating students to perform and excel and offer a lot more reward than just winning prize. Competitions offer a chance for participants to gain substantial experience, showcase skills, analyze and evaluate outcomes and uncover personal aptitude. Competitions also encourage students to adopt innovative techniques and develop their ideas and skills. Very few opportunities in the average student life provide such exposure and realistic outlook towards the competitive nature of real life in such a short span of time as competitions provide. Students recurrently go through a series of brainstorming sessions, rapid problem solving sequences and experience a totally diverse form of learning, which they usually don't practice in their college. Participating in National/ International competition like SIH etc provide a great platform to display the knowledge and skills that students have amassed over the years. The experienced panel of jury can provide a critical analysis and feedback of students' performance.

A total of 342 students in 57 teams, each team consists 6 members have enrolled for smart India hackathon 2024-25.
