
MOOC COURSES- KIET ENCOURAGEMENT TO STUDENTS

KIET is actively encouraging students to enroll in **Massive Open Online Courses (MOOCs)** to enhance their skills, broaden their knowledge, and stay updated with global academic standards. As a part of this initiative, students have successfully completed various online certifications and internships through reputed platforms such as **EDX, Edunet Foundation, and NPTEL**.

- **EDX Internships** have provided students with global exposure by allowing them to work on real-time projects and gain valuable hands-on experience from international institutions.
- **Edunet Foundation** has offered skill development programs and virtual internships, equipping students with industry-relevant competencies and practical knowledge.
- **NPTEL (National Programme on Technology Enhanced Learning)**, a project by IITs and IISc, has helped students strengthen their academic foundation in core engineering subjects through high-quality video lectures and assignments.

These MOOCs have empowered KIET students to become more self-driven learners.
