Some of the students go on to pursue careers, while others go on to start their own businesses. the following are a few alumni that are currently engaged in entrepreneurial endeavors.

Dr. K.N. SWAMY

After completing his master's degree in business administration from **KIET** Institute of Management and Science in the academic year 2005-2007, Dr. K. Narayana Swamy began his own consulting firm, Dr. K.N.Swamy, after working for Vissu Consulting, studying abroad, and eventually starting his own consulting firm.

More than two hundred students were able to benefit from Dr. Swamy's counsel and obtain visas to pursue further education in other countries. Almost one hundred people are currently employed by this company, which was founded by Dr. Swamy, who also hired those who were without jobs. meet Dr. swamy @ 9849526577.

SANDEEP ANAND

In addition to his activities at Konapaipeta, which include event management, real estate, and partnering hatchery business. Sandeep recently created a financial institution. In addition, he started a channel on YouTube that was called 7 Hills. He is always of the idea that every business has its highs and lows, and that one should learn to deal with the lows and search for a balance with another enterprise. He believes that this is the best method to handle the lows. Therefore, getting involved in a big number of businesses can assist you in locating a solution to prevent the unfavorable effects from occurring. Therefore, you should investigate your capabilities.
