KIET NOTICE BOARD

KIET (Kakinada Institute of Engineering and Technology) notice board plays a crucial role in disseminating important information to students, faculty, and staff. Here's an expanded overview of what is typically displayed on the notice board and its significance:

Notice Board at KIET:

1. JNTU Updates:

- **Academic Schedules:** Information about academic calendars, exam timetables, and important deadlines from Jawaharlal Nehru Technological University (JNTU), which KIET is affiliated with.
- **Results Announcements:** Notifications about the release of exam results and how to access them.
- **Regulatory Changes:** Updates on any changes in university regulations, course structures, or examination patterns.

2. Circulars:

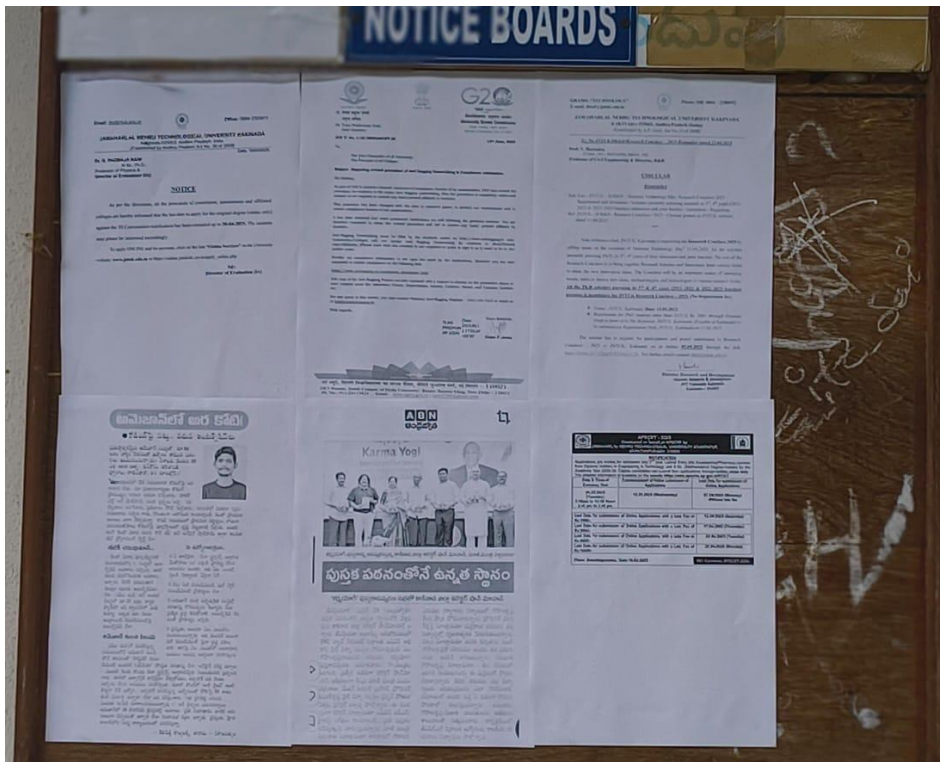

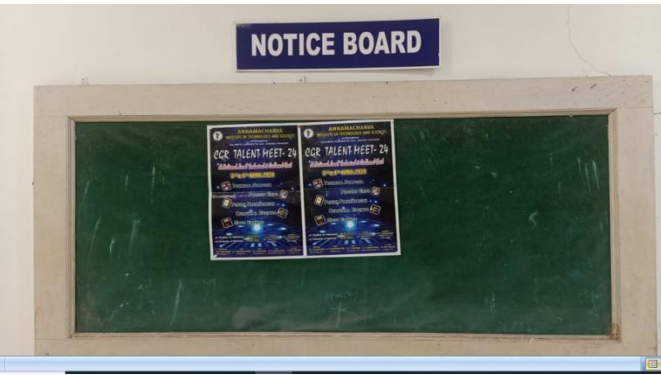

- **Administrative Notices:** Announcements from the college administration regarding holidays, changes in class schedules, and other operational matters.
- **Events and Activities:** Information about upcoming college events, such as cultural festivals, sports meets, and technical symposiums.
- **Policy Updates:** Notifications about any changes in college policies or procedures that affect students or staff.

3. SWAYAM Courses Registrations:

- **Course Offerings:** Details about available SWAYAM (Study Webs of Active Learning for Young Aspiring Minds) courses, including course content, duration, and instructors.
- **Registration Deadlines:** Important dates for registration and instructions on how to enroll in these online courses.
- **Benefits and Credits:** Information on how these courses can complement the regular curriculum and the potential for earning academic credits.

4. Resource Persons Lectures:

- **Guest Lectures:** Announcements about lectures and seminars by distinguished resource persons, including industry experts, researchers, and academicians.
- **Workshops and Training:** Information on specialized workshops, hands-on training sessions, and skill development programs.
- **Interactive Sessions:** Schedules for interactive sessions where students can engage with resource persons, ask questions, and seek guidance.
