### Utilization of Indigenized Video Conferencing Facility at KIET

Kakinada Institute of Engineering and Technology (KIET) has established an **indigenized video conferencing facility** to support academic and administrative activities. This locally supported system is effectively utilized for conducting online classes, expert talks, virtual meetings, training sessions, and webinars. It ensures secure, reliable, and cost-effective communication, aligning with the vision of *Atmanirbhar Bharat* (Self-Reliant India). The facility enhances digital learning and collaboration across departments, promoting a tech-driven educational environment at KIET.
