Effective Utilization of ICT / Research / Academic Facilities through MoUs at KIET

Kakinada Institute of Engineering and Technology (KIET) actively leverages its Memoranda of Understanding (MoUs) with reputed organizations such as IIIT Hyderabad, Edunet Foundation, Leo Global, and Eduskills, etc in alignment with AICTE's vision of fostering academic excellence through collaborations. These partnerships facilitate a wide range of academic and research benefits:

1. **E-Learning : Link for Library E-learning facilities for students**
https://drive.google.com/drive/folders/1X9qGDVSFqrg3IMVha3kkGAcwJzidDmrO?usp=drive_link
2. **Expert Guest Lectures:** Renowned professionals and academicians from partner institutions regularly conduct sessions to enrich students' learning and industry readiness.

3. **GATE Training:** Structured coaching programs are offered to help students prepare for GATE and other competitive exams.
4. **Internship Opportunities:** Through Edunet and Eduskills, students gain hands-on experience in real-world projects and industry environments.
5. **Research and Development Support:•Ph.D. Research Guidance:** Faculty members receive mentorship and expert guidance for their doctoral research from distinguished resource persons from partnering institutions.

- **Higher Education & Career Guidance:** Leo Global supports students with international education counseling, GRE preparation, and global admission assistance.

These collaborations significantly enhance the quality of education and career prospects for KIET students and faculty by integrating cutting-edge ICT tools, research exposure, and global academic resources.
